

WINE & COCKTAIL BAR

SITGES

THE NAME COMES FROMS THE DIVINE SPIRIT OF THE PAST

ABOUT US

Welcome to The Dutchess, a wine & cocktail bar which oozes Sitges culture in a subtle, elegant way.

A whimsical interior influenced by the culture of the mysterious Dutchess it offers a spritiual ambiance with candlelight.

With a fresh approach to cocktails, a drink form created in the old days, The Dutchess honors the craft with both invention and tradition.

THIS IS OUR HISTORY

Central to our vision is a celebration of the ritual, romance, passion ott The Dutchess and Nature’s gifts found by her.

Her spirit is evident in every detail of the bar's design, in the flickering glow of candlelight, the ruined finery of her fabrics, and the exotic meeting of European romance, Caribbean ways and African influences.

THE WOMAN. THE LEGEND. THE SPIRIT.

OUR WINE

We believe the artistry of wine begins with stewardship of the land where the grapes are grown and lives are lived.

We look for wines that truly tell a story, wines that reflect a deep connection and belonging to a place. Such wines are often produced by smaller, family-run operations, by passionate people who care deeply about what they do.

Less marketing. More mysticism.

Artisan winemakers, guided by the spirit of Galileo Galilei, who described wine as *“sunlight held together by water.”*

OUR COCKTAILS

Our cocktail menu draws from the natural bounty of our region, while taking inspiration from much further afield from Sicily to Senegal, from Haiti to Havana and beyond.

Our mixology combines art, craft and science, using seasonal produce and international inspiration.

Let’s raise a glass to Sitges
a city like no other, and a place made for celebrating life’s joys.
